## Congratulations for Re-capturing the Overall Championship

The Editor Team has issued this special newsletter as part of joint celebration of the significant achievements of La Salle College Sports Competitions. After 6 years of winning drought, LSC Athletics Team made a dramatic coming back to capture this year's Hong Kong Interschool Athletics Meet Overall Championship.

In addition to the good news from our Athletics Team, LSC Badminton Team is also celebrating their Grand Slam Overall Championship win in all A, B, and C-Grade categories.

With the exception of the congratulations message from the Overseas OBA Chapters, most of the contents from this newsletter are captured from postings from different news media, social media and IM app. We cannot thank these authors enough.

With this release of this special edition this bimonthly newsletter will be resynced from an even month to an odd month release.

# Our Dramatic Win – a Never Say Die La Salle Spirit

Victor Leung (77)

Lasallians from Hong Kong and across the world overcame with joy after learning La Salle had won this year's Hong Kong Interschool Athletics Meet Overall Championship in March 8, 2019. Athletics has always been a big part in the La Salle Interschool Sports competitions. That's why the recapturing of the Overall Champion title after a 6 years winning drought are especially important to fellow LaSallians.

The winning has reinforced the La Salle stance and our motto of 喇沙田徑, 真材實料, 不假外求! Those who had closely followed this year's competition realized that La Salle had made a very dramatic coming back as an underdog. The competition and ultimate winning are truly an example of the Never Say Die (永不言敗) La Salle Spirit. With fierce competitions, La Salle started the final day competition with 61 points behind our rivalry DBS. We realized we had to make a near perfect execution on all the competition events in order to catch up for every single point counts.

After finishing all the individual track and field events, we made a significant overall score advancement and narrowed our gap to 19 points, which was close but not quite enough to capture the Overall Championship title. Since the final relay results may significantly alter the overall results with each winning relay event awarded 18 points, our boys knew that they had to perform a close-to-perfect execution on most of these relay events. Our boys had responded to the challenges and, with the Never Say Die spirit and thunderous cheer from fellow schoolmates, they delivered a perfect execution on all 6 relay events and won the very first time a grand slam relay gold medal win on every single relay. With an additional 48 points from the grand slam relay victory, La Salle had turned the 61 point gap into a final 15 points lead over DBS (LSC: 459 vs DBS: 444) and successfully recaptured the Hong Kong Interschool Athletics Meet Overall Championship Title, a breakaway from a 6 years winning drought!

As seen from the photos captured during the final day of competitions, the winning was greeted with mixed feeling of joy and tear and celebrated with multiple greetings from fellow Lasallians across the world from different social chatgroups. The remarkable and dramatic win has also captured the attentions and reported by multiple news media.

Well done, La Salle!

# 喇沙接力賽盡攞 6 金 最後一刻逆轉男拔登基

拔萃男書院在港九區 D1 中學校際田徑比賽的 6 連霸，今日（8 日）終被宿敵喇沙書院中斷，後者憑將士用命，於 6 項接力賽中全數包攞金牌，結果於團體總成績以 15 分反超前男拔，重奪失落 6 屆的男子組冠軍。

經歷 6 年的等待，喇沙終重奪港九區 D1 田徑冠軍，喇沙於今屆學界田徑一直落後於宿敵男拔，戰至決賽日上午，男拔仍以 308 分高踞總成績首位，但喇沙已由賽前的 61 分差距，緊迫至只差 37 分。下午灣仔運動場天氣轉差，現場落起毛毛雨，不過仍難擋喇沙運動員的熱血，先於關鍵的 4X100 米接力賽，盡攞甲、乙、丙組金牌，在最後一項 4X400 米接力賽舉行前，僅落後男拔 5 分。喇沙眾將知道反前機會難逢，失落 6 年的總冠軍擺在眼前，最終在 4X400 米接力賽再分別於三個組別奪金，以總成績 459 分、15 分之差逆轉男拔，打破對方的 7 連霸美夢，重登男子組冠軍寶座，而旅港開平就以 258 分奪季。

### 喇沙創造奇蹟 陳政鋒：贏一年便是所有

「我會說是創造奇蹟，可能有人會認為，贏一年不算甚麼，但對喇沙來說便是所有。」喇沙隊長陳政鋒負責 4X400 米接力的最後一棒，衝回終點的一刻，他知道自己及學校，終於成功了，跑過終點線後他累得倒了在地上，但看見隊友過來，又爬起身興奮相擁，邊哭着邊接受訪問，可見這個冠軍的重要性，「等了 6 年，大家很有期望，賽前知道只要穩妥地將接力棒送返終點便可奪冠，最後卻是 6 支棒都全獲金牌，很開心...」

6 年的光陰，代表陳政鋒此前由中一至中五，都未嘗冠軍滋味，小學時目睹師兄達到的成就，他很想試一次，「這個冠軍由 Day 1 開始，已經在我腦海中建立起來，之前感覺跟這個冠軍只差一步，像個永遠走不到的終點，現在獎盃到手，可說是個里程碑，這是值得記載於喇沙歷史簿上的一件事。」

賽後陳政鋒忍不住淚水，皆因來到學界的最後一年，他親自完成了全校的夢想。（袁志浩攝）

### 有信心來年衛冕 「我們可以，你們也可以」

於個人項目失準，一度令陳政鋒心灰意冷，但作為隊長，他有了犧牲自己的勇氣，個人感情算甚麼？

「年初發現自己水平跟不上，到比賽才發覺自己身負重任，帶來了一定的壓力。今日個人項目有點失準，不過知道要為學校着想，不應只想自己，只好將自己心情放於一邊，現在贏得總冠軍勝於一切，真的完全沒有遺憾了。」

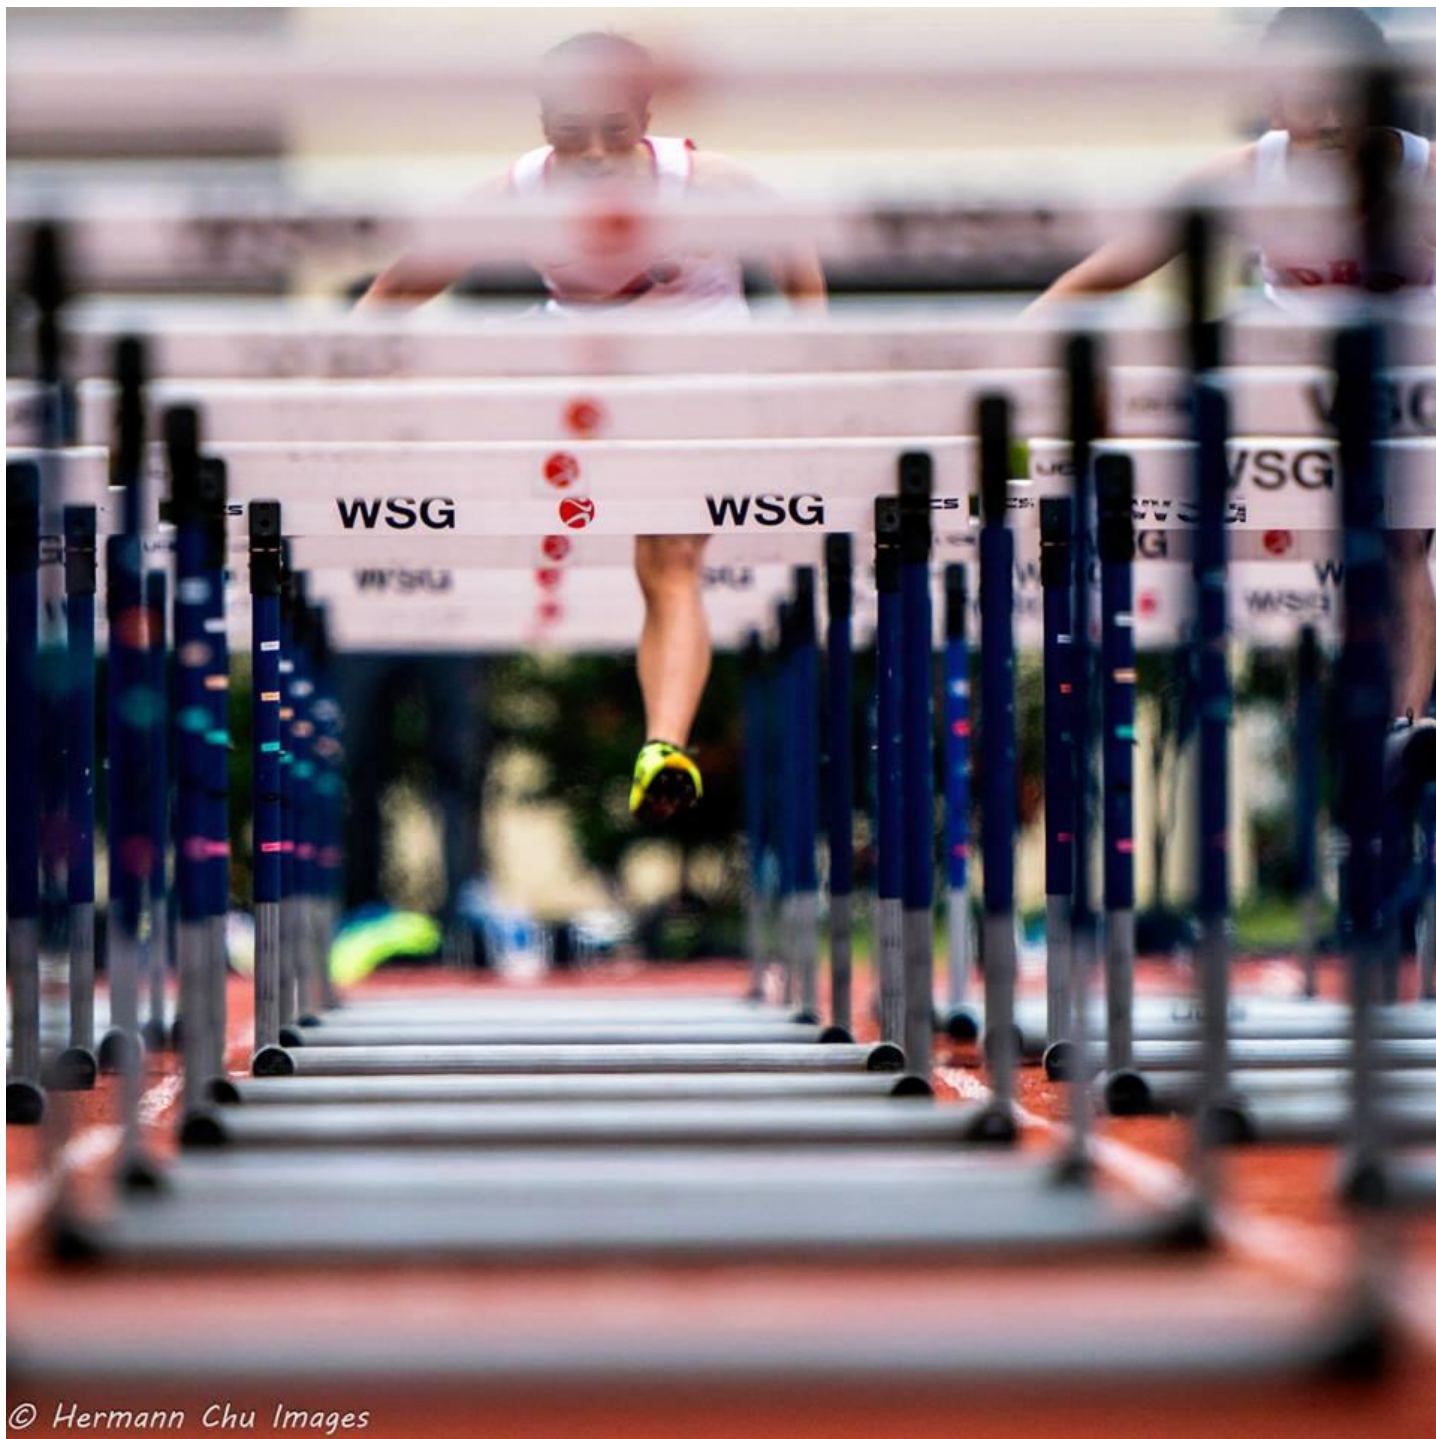

奪冠的功勞又豈止於運動員，背後為學生提供支援的老師與教練，場邊吶喊助威的同學，陳政鋒逐一感激，「他們付出的血汗，難以用言語形容，總冠軍的喜悅不止於田徑隊，而是屬於全校甚至所有舊生，這是我中學生涯最珍貴的回憶。」來年要退下來，能否衛冕仍是未知數，但這位隊長寄語各位師弟，世上沒有做不到的事，「我們『喇沙仔』，希望可以咬緊一條心，繼續贏總冠軍。今年的我們做到，證明你們也可以。」

隊長帶領全校叫口號，是學界賽事的指定動作，這次陳政鋒叫得特別大聲，將 6 年的壓抑一次釋放。（袁志浩攝）

重重障礙 勢必跨過

終於明白乜嘢叫「再起風雲」,下午微風細雨,天氣愈差,形勢就愈微妙,落後 61 分,落後 37 分,差 5 分,反領先 3 分,再領先 7 分,最後贏 15 分!整件新 sweater 扭得出水, but 7-year drought is over. 近來工作壓力一掃而空(一日咁多),對上一次咁嘅奇蹟就只有 2009 年東亞運香港隊贏足球金牌可相比。Cut the crap, we may face a horrible defeat very soon. But this afternoon belongs to us. Let the party begin.

P.S. 今年係母校首奪學界田徑冠軍八十周年,亦係灣仔運動場建成四十周年,值得記念。並祝張 Sir 身體健康。

### Albert Hau (97), School Team Captain (99-00)

首先再次恭喜母校勇奪學界田徑總冠軍! 這個冠軍真是得來不易, 因為當今學界田徑水平已與我哋當年嘅水平提升了很多, 多謝一眾教練不辭勞苦地訓練一班又一班嘅新血。

多年來的"青訓", 在所有 100 米 200 米 及 6 支接力嘅成績已有目共睹。在完成所有接力後, 第一時間走去司徒 Sir 擊掌, "我哋真係做到! 我哋真係做到!"

呢種感覺比起以前自己攞 champ 更加震撼。最後再一次同一眾師兄弟高唱校歌, 為母校慶祝今次的總冠軍殊榮。有幸做到喇沙仔, 亦是田徑隊的一員, 真是感到驕傲。

### Alan Cheung (91), La Salle College Athletics Club Captain

能夠再次親眼見證母校勇奪學界田徑總冠軍, 真是我的榮幸。身為一位田徑愛好者, 我一向都很喜愛看各類型田徑比賽, 而我認為學界田徑可算是香港最刺激的比賽之一。每年各男女校運動員在場上的激烈競技以及台上台下的打氣歡呼聲, 真令全場熱血沸騰。

自從 2012 年拿了大滿貫以後, 我們之後每年都能拿全場亞軍, 大家都一直期待勝利再能臨到我們。我如許多舊生們每年都盡量出席決賽日打氣。今年雖然在決賽日前落後許多, 但因為我們短跑項目強勁, 尤其在最後所有接力奪金底下, 終於能強勢反勝。這天天氣雖然寒冷, 下午還下著毛毛細雨, 但得勝的一刻, 心內卻是前所未有的火熱。我想興奮程度可追溯回自己 90 年代經歷『五連霸』的日子。

容我再次藉此機會恭喜母校得此榮譽, 亦感謝教練們的悉心栽培, 以及學校各方面的支援配合。我甚至要感謝師弟們給我們這班師兄這份無價的禮物, 讓我們可以興奮狂呼一整天, 在社交平台上的分享更是到今天也未停止。衷心祝願師弟們明年可以再接再厲, 為校爭光。

這幾年我有幸為舊生們在田徑訓練安排上效勞, 也一起參與各類本地及海外田徑比賽。能夠與舊生們在田徑場上重聚亦同時可以鍛煉身體, 真是賞心樂事。希望各舊生有機會的話也來參與訓練, 亦一起重拾

昔日的美好回憶。今年的香港先進運動會暫定於 11 月 16—17 日舉行，詳情請與 Kevin Kwok (kevinkwok26@gmail.com)聯絡。

## **Jeffrey Or, Current President, Student Association**

As the president of the 44th Student Association, it is of my utmost honour to be able to cheer and support our athletes on this monumental year, and I would once again like to congratulate our athletes for winning the overall champion in this year's Inter-school Athletics Competition.

Having been a member of the athletics team since form 1, I am no stranger to how hard the team trains and how much our old boys, coaches and athletes contribute towards the team. Every single year we leave Wan Chai Sports Ground with a tingling sensation of sadness. Despite all the experience we had gained from the process of training, all the friends we had made along the way, all the results that we had achieved throughout the year, guilt bites away in our hearts as we say our farewells to the form 6 athletes and wish them good luck for their public exams.

The overall champion, one of the largest goals that we had worked hard for, always seemed so close, yet so distant. It always felt as if we, as juniors, had not maximised our potential, and that we should've done better. This kind of mentality may be true for some of us, but it is apparent that our coaches and old boys had thought differently. Regret is temporary, as they start to figure out new training methods, looking back on mistakes we had made in the previous years and improving upon them. Countless hours spent in dissecting errors and coming up with solutions, physiotherapy, endurance training and skill refining...

Finally, this year, the athletics team successfully captured the overall champion despite the 61-mark difference after the morning session by winning all six relay events (A, B and C grade 4x400 and 4x100 relays).

I would once again like to express my congratulations to the team, but more importantly, I have a message I wish to deliver. This year's monumental achievement is much more than the sole effort of the athletics team. It is made possible not without all the support and effort made by the old boys in equipment, training, and cheering for our athletes. It is this unique bond among the generations that makes us Lasallians something more, that makes us proud of our achievements, and you, who are reading this right now, is part of that family, and you too, are to thank for what our family has achieved.

## **Mark Huang (85), Athletic Team Captain 85-86**

### **Some Sharings of Our Victory**

La Salle doesn't win the Athletics Overall title nearly as frequently as our traditional rivals. The last time we won was seven years ago - a whole generation of LaSallian students (F.1-6) never tasted the overall victory. But when we make it, our joy is immeasurable! Here are a few sentiments that have been crossing my mind since the win.

### **The Education Value of Sports**

Through sports, our boys learn to devote their efforts to a cause. They learn to train hard together for long durations. They learn to take great pressure and convert it into greater drive and better performances. Our non-athlete boys learn to support and cheer wholeheartedly, and the importance of mutual support and brotherhood amongst schoolmates. The school comes together as one, and the LaSallian brotherhood is strengthened. None of these lessons require winning a Championship. Winning is to La Salle secondary.

### **A Whole New Ball Game**

In my school days (1980s), the interschool football competitions finish in early December, and then many of the football players would start training a few months for the “Wan Chai” athletics meet for March.

Nowadays, if La Salle trained this way, we would probably struggle be top 5 of the table. Today, students train year-round, and training much more technical. Performance standards have increased so much that a 1980s gold medallist result may barely earn a spot in the finals today. Teachers and coaches work much harder to groom the team and nurture the athletes, some as young as 12 years old.

Unlike our rivals, La Salle trains our own athletes. Our only window of opportunity to find external students with potential is when they are in P6 applying to F1. Our rivals conveniently bring in new athletes whenever they need a vacancy filled, or a better performer.

### **We Love the Way We Win – and Lose**

Some schools win lots of titles, but they don't experience the joy of grooming a boy from a sports-nobody into a gold medallist, or just a finalist. One obvious difference with this year's victory compared to 7 years ago was there were many more schools that congratulated La Salle after we won. Isn't that strange?

### **Schools Bullying Schools**

*The underlying reason is many schools have much resentment towards schools that use their fame and scholarships to poach top athletes from them. These less famous schools are in a way bullied, and they can't do anything about it. Some schools are so badly affected that they get demoted to lower divisions. The poaching schools adds an insult: “Why not ask yourself why your students want to leave your school and come to us?”*

On the contrary, La Salle uses only home-grown athletes. Our practice is respected and we build friendships with other schools, not make enemies. So many schools felt happy for us in winning the overall championship.

### **A Trailing Game**

At the end of Day 1, we were trailing 19 points. End of Day 2, we trailed a massive 61 points. Many said the gap was too big to recover from. Even by lunch time of Day 3, we were still trailing 37 points. Yet, the team kept their faith, and we overtook our rivals for the first time only at the third last race: the C grade 400M relay, by 3 points. But our B grade 400M relay team was ranked only 4th, while our rivals ranked 2nd. But our B grade boys delivered an amazing performance to win the race, stretching the lead to 7 points. If our A grade 400M relay team did not lose more than 4 positions behind our rival, we would bag the overall title. The senior boys sweetly finished first, completing an incredible clean sweep of all relay races.

### **We Won, but could have as Easily Lost**

Although we won the overall title, our A grade team lost by 13 points, and B by 2 points. Our C grade juniors outshone the rivals 30 points to create in an overall 15-point margin. Our opponents' C grade team had two unfortunate sprinters injuries, if not, we could have lost all titles. La Salle had a few mishaps throughout the

campaign but luckily not serious ones. And we executed Day 3 races with almost zero flaws. As the saying goes: *"The one with fewer mistakes wins"*. We could have been (and had been before) the less fortunate one.

So Lasallians, stay humble, continue to believe in our education principles and sports values, and educate generations of Lasallians to be respectable and modest winners - and gracious losers.

### We Love the Way We Win!

## Every single point counts - Another Example of the La Salle Never Say Dai Spirit

Victor Leung (77)

The striving for winning the overall championship title is truly based on team effort. Every single point counts towards the overall score. A competing athlete all realizes one must finish a competition event, even if he comes last at the event, in order to earn that 1 point. Back in 2008, Vincent Hau (2007) has demonstrated another Never Say Die team competition spirit and won many on- and off-the-field cheers when he tried to finish his Hurdles event after sustaining from a leg injury for he knew that every single point counts. Here is a recaps of his amazing 永不言敗 story:

【11 年前今日】呢 1 分比起金牌嘅 9 分更矜貴！

十一年前嘅今日，正正係港九區 D1 田徑決賽日，當大家聚焦落每位金牌同學點樣為校拎到 9 分時，呢位喇沙同學為校拎嘅 1 分卻顯得更矜貴！

話說當時呢位「喇沙仔」喺初賽成績出眾，順利入到決賽，可惜嘅係比賽前卻嚴重受傷，無法再為校奔跑打拼！不過，雖然佢無辦法再跑動，但仍然堅持上陣，一步一步慢慢地跨過每一個欄去完成賽事，取得「第 8 名」多為校多取 1 分(棄權係 1 分都無)。雖然佢以特慢時間忍痛跨過每個欄，而場地叔叔亦無乜耐性咁走出嚟「收嘢」，但卻贏得了全場掌聲，展現了該校打氣口號「喇沙精神、不死靈魂」！

那些年，你也曾為青春造出過令自己一生難忘嘅舉動嗎？

## Campus TV

隨着資訊科技的發達，許多海外校友也能實時觀看比賽。但是背後的功臣，我們又可認識嗎？

Hayes Leung (2020), Chairman of La Salle College Campus TV

Established in 2003, La Salle College Campus TV comprises of a group of LSC students, dedicated to produce videos and live broadcasts for all kinds of school activities such as swimming gala, athletics competition, talent quest, school mass and concert(s). The videos are widely watched by students, teachers, parents, and alumni.

In recent years, Campus TV has put much more effort on live broadcasts. This year, the 3-day live broadcast of Annual Inter-school Athletics Competition in March was carried out smoothly by a team of 24 outstanding members from La Salle College and Good Hope School CTV. Preparation work of this live broadcast includes athletes' analytics, animation, scoreboard preparation etc. Moreover, effective camera and cable setup are vital as well on the day of live broadcast, to ensure having the cameras ready before the first event begins in the morning.
