New President's Words

Dear Fellow Lasallians,

I feel deeply privileged and honoured to be elected as the President of the LSCOPA 2003/04.

First of all, I wish to express my sincere gratitude to the outgoing President, Vice President, Honorary Secretary, Honorary Treasurer and Committee Members for the work they have done for the Old Boys. Brother Thomas has spoken highly of their contributions in the past year during the Annual General Meeting on 4th July 2003. I must also thank all the Old Boys who came to the Annual General Meeting. I am very grateful for your participation, encouragement, support and votes.

The new Committee held its first Planning Meeting in the Old Boys' Room of La Salle College within 72 hours of the election. The First Committee Meeting was then held on 25th July 2003 at the OBs Room in La Salle College and here are a few highlights of the initial discussion:

1. Formation of Subcommittees and Appointment of Convenors

- Alumni Subcommittee - Dr. Louis Law (70)
- Communication Subcommittee - Mr. Paul Wong (76)
- Heritage Subcommittee - Mr. Peter Kam (77)
- Sports and Recreation Subcommittee - Mr. Henry Chan (70) & Mr. Lawrence Ng (77)
- Student Affairs Subcommittee - Dr. Bernard Kong (76)

The Convenors of the various Subcommittees will share with you all their action plans for the coming year soon. Sug-

gestions and ideas from fellow Old Boys are most welcome. We wish to have more Old Boys joining the Subcommittees and work together to do some really good work for our beloved Association and dear Alma Mater.

2. Honorary Advisors

The Committee unanimously agreed to invite Mr. Henry Lau (40), Mr. Leung

Lit On (63) and Mr. Peter Chiu (62) to be the Honorary Advisors to the Committee for the coming year. Mr. Henry Lau is a well-respected retired teacher of LSC and one of the Founding Committee Members of our Association. Mr. Leung Lit On, a senior partner of Wilkinson & Grist Law Firm, was a Head Prefect in the sixties and teaching staff of the College for some time. Mr. Peter Chiu is one of the Vice Principals of the School and has written over ten popular books on students in Hong Kong. We are sure that these three Senior Old Boys can give a lot of sound advice and innovative ideas to the Committee in the coming twelve months.

3. Working Group on Constitutional Review

In response to the suggestions by fellow Old Boys, a Working Group on Constitutional Review will be set up to review the Constitution of LSCOPA and submit a report with suggested amendments to the Committee for consideration before the end of October this year. Mr. Lester Huang (77), a lawyer and a Past President of the Association, has kindly agreed to lead the Working Group. The Working Group will consult widely among Old Boys communities, within and outside Hong Kong if necessary.

As Brother Thomas returned to Ireland for a well-deserved holiday break, he has not been able to join our first Committee Meeting. However, he has attended our first Planning Meeting in early July and encouraged us to promote fraternity and solidarity among Old Boys and gather momentum for the work of the Association. With the strong support of Brother Thomas and the teaching staff of La Salle College, together with the active participation of the Old Boys, we are confident that we can collaborate closely with the School Authority in the coming year, especially in matters related to our treasured heritage and current students.

New Comers' Day' Day

This year the OBA has decided to set up a Current Student Affairs Subcommittee. This is to strengthen our ties with the school and to let the students know that we are part of the big family.

As the subcommittee's first function, we participated in the New Comers' Day organized jointly by the School and the Parent Teacher Association on 16th August 2003. Over 800 new students, parents, teachers and helpers gathered in the School Gymnasium for the opening ceremony as renovation works was going on in the School Hall. The official welcoming ceremony started at 2:00pm when Brother Thomas led the welcoming team to the front. I represented the OBA and felt excited and proud to take part in this important event.

The school had prepared a full programme for the new comers and groups of talented current students were playing western and Chinese music to greet our new boys. The programme also gave us a chance to speak to the current students and we talked to them about our life experiences and the work of OBA.

Our members worked hard the whole afternoon. After the ceremony, repeated groups of interested families checked out our OBs Room and listened attentively to our history with our sweet school song playing behind us.

We also set up an OBA counter on the ground floor displaying our colorful souvenirs as well as a board with pictures of our old school. I was surprised that a lot of parents and new students took an interest in our heritage and kept admiring our pictures for a long long time. We talked to each other like old friends and some young gentlemen were happy to be able to bring back a piece of La Salle from our counter. Five old boys joined the OBA on the spot and we were elated!

Most of the teachers dropped by and were happy to see the Old Boys playing a role in a major function of the school.

We have shown to everyone that "once a Lasallian, always a Lasallian". This is our heritage and we will pass it on to our younger generations.

I would like to thank all the members who came and support the event and especially Mr. Andrew Wong (89) for preparing the nice posters and the pictures.

Christian Brothers' Cup

The first Christian Brothers' Cup was held on 3rd and 10th August 2003. Alumni of Chan Sui Ki College, St. Joseph's College, Chong Gene Hang College and De La Salle Secondary School were invited to participate in this event together with Wah Yan College (Kowloon) as a guest school. Each team played 2 round robin games on the 3rd Aug to fight for the playoff berth for the Lasallian Cup, Brotherhood Cup & Unity Cup Finals held on 10th Aug. Individual skill contests such as the Best Juggler, Best Dribbler and Best Shooter were also introduced to add to the fun and excitement of this 2-day event.

LSCOPA formed a team by selecting members from various OB League teams, the 25 players consisted of old timers who graduated in 1974 and youngsters from 2000. The OBA team won all of its Group A games in the round robin phase and faced Wah Yan College (Kowloon), the winner of Group B for the Lasallian Cup. The two teams played vigorously but failed to produce a single goal in 70 minutes. With less than 5 minutes left in Extra Time, the Wahyanites executed a perfect free kick just outside the penalty box to win the trophy under the Golden Goal format. Though our OBA team failed to capture the Lasallian Cup, it was sportsmanship and friendship that counted the most. The OBA hopes that this would become an annual summer gathering amongst the Christian Brothers schools in Hong Kong.

Last but not the least, the organizing committee would like to thank the School, the Brothers, the spectators and the participating teams for their help & support.

La Salle College School Improvement Programme (SIP)

The two-decade old LSC building was designed for a standard size secondary school. However, educational requirements have changed over time and this has put tremendous pressure on the current facilities. For example, the School had to convert some student activity rooms into classrooms to cater for new classes (LSC is now running 43 classes) and computer rooms to facilitate IT learning.

To improve the range of facilities, LSC is building two new annex buildings near the swimming pool. These two new annexes will be connected by an attractive link-bridge.

Bird's eye view of the swimming pool

The old tennis court now looks like this

The project is mainly funded by the Government's School Improvement Programme (SIP), which was initiated to upgrade infrastructure of Hong Kong schools to meet with the new standards of education. LSC still has to bear the cost of non-subsided items, estimated to be of a minimum of HK\$2 million, and a fund-raising campaign will soon be coordinated by the La Salle Foundation for this purpose.

A works committee, chaired by a LSCOPA Past President, Mr William Tong (1977) and with the Principal, Rev Brother Thomas, as member, oversees the construction project. Numerous old boy-professionals have also pitched in their expertise to the committee and the project free of charge.

The construction started at the end of March 2003 and is scheduled for completion in May 2005. The new buildings will house a computer centre, language laboratory, performing arts centre, more staff rooms and conference facilities. The much needed extra space will ensure that LSC will continue with her mission of providing first class Christian and human education to young people of Hong Kong.
