

LSC & CSK Group Photo, before Lasallian Cup Kick-off

## Back-to-Back Championships !!

Marching into it's third year, the CBC 2005 again kicked off in August with the usual five Christian Brothers' Schools and the guest team, Ying Wa College, got together for some fun. The Group Stage was held on Aug 7<sup>th</sup> but our team started their training early in July and the hard work paid off handsomely as we won all 2 Group B games & tallied 10 goals while keeping a clean sheet. CSK advanced to final on goal difference over DLS.

On Aug 28<sup>th</sup> the six teams got together again to fight for various trophies. SJC leveled late in the game and beat CGH in penalty to win the Unity Cup, DLS's keeper made a fine save before their strikers knocked in 2 goals for the Brotherhood Cup against YWC. Our OBA team might have started the group stage better but CKS battled bravely to make life difficult for us. We dominated most of the 2nd half, and could have taken home the cup earlier but our strikers were unable to convert the chances. Our goalie Dominic Lam (89) also made a fantastic save to keep us in the game. The two teams failed to produce a single goal after Extra Time & the title had to be decided by the cruelest way – Penalty Shootout. Both teams scored on all their first three shots but our OBA team missed the fourth kick. Call it luck, call it home field advantage or whatever you want, we were able to keep the trophy home for another year as the CSK team missed the title winning shot & then the one in sudden death.

The Organizing Committee would like to thank the Brothers, the school, Mr. TP Cheung (head coach), principals of the Christian Brothers Schools, Wilfred Ng & Sunny Cheung (sponsors), William Lee & Peter Cheung (OBA team captains), Nicholas Ng, Lester Huang, Mark Huang, Andrew Wong (photographer) and all the spectators who came & cheered for the teams. See you next year.

## Old Boys Wanted for La Salle Heritage Perservation

The Heritage Sub-Committee is seeking Old Boys who are interested in helping to preserve the La Salle Heritage.

The Sub-Committee currently has several members, but to achieve the many goals on hand, especially in view of LSC's 75th Anniversary in 2007, we are keen to welcome more OBs to take part. OBs from HK or overseas are welcome all the same. There is much work to be done overseas as well!

The work varies from interviews to research, writings to organizing functions. No prior experience is needed, and young boys and seniors are equally welcome. We only ask for a ready La Salle heart and an interest. We promise the tasks and experience will be rewarding.

Interested OBs can contact the Sub-committee Convener, Mark Huang (1985) at [heritage@lscoba.com](mailto:heritage@lscoba.com), or by phone: (852)9229-1133, preferably on or before 31 October 2005.

## 40<sup>th</sup> Anniversary Celebration for the Class of 1965

This year marks the 40<sup>th</sup> Anniversary of the Class of 1965. An Organizing Committee has been formed amongst classmates to mount a Grand Reunion in Hong Kong in November 2005. The highlight of the programme is the home-coming Reunion at the Alma Mater on

Sunday 13 November 2005, with additional activities spanning between 10 November and 16 November.

The Organizing Committee has been able to establish contact with about 100 '65ers and about 60 classmates have confirmed their participation, many of them returning from overseas after years of absence. We now appeal to fellow Lasallians to help us spread the news to the remaining '65ers who may still be unaware of this 40th Anniversary Celebration.

Interested '65ers should contact the Organizing Committee by emailing [lsc65er@dvm.com.hk](mailto:lsc65er@dvm.com.hk), or telephoning Lau Kwok Jing at (852) 2338 3196 / 9870 2179. Detailed programme and other news of the Reunion can be viewed at the '65er website. Please use the following link

<http://utilserver.reacttech.com/LSCOB65BB/index.php>.

News can be viewed without logging in, but better still, '65ers can register as a member to participate fully. Anyone associated with the main cohort of the '65ers at any one time is one of us!
