

Dear Old Boys,

The School's celebrations for its 80th Anniversary have passed the half way mark already. In 2011, besides the usual School Opening Mass and Speech/Prize Giving Day, a special Jubilee Mass was held on 2 December 2011 in the Catholic Cathedral, celebrated by the Bishop John Tong with all students, staff and Brothers, together with guests, Old Boys, and friends of La Salle.

The School then hosted a Family Fun Day and Open Day on 18 December, attended by hundreds of children and their parents, enjoying game stalls, displays in classrooms, food booths and entertainment.

#### Brother Steve's 2020 Plans

Besides the celebrations, in support of Brother Steve's plans for the School towards Year 2020, the La Salle Foundation has spearheaded a Fund Raising Drive aiming for no less than HK\$20 Million(M). Our so-called

"new" school building is already a 30 year old structure, and with many of its facilities just as old as the school building, students today are not enjoying up-to-date teaching facilities as Old Boys who studied in LSC did in the 1980s and 1990s. These include infrastructure, teaching and sports equipment, and computer networks, software and hardware.

In order to equip the School for our current and future Lasallians, some HK\$40M is needed. The La Salle Foundation has maintained around \$20M in reserves, thus the Fund Raising drive would need to raise at least another HK\$20M to pay for all the developments planned for the School.

#### The 888 Donation Plan

In one of the efforts to raise HK\$20M for LSC, a 888 Donation plan has been launched, where the Foundation invites donors to contribute HK\$888 per month for a period of 12 months, collectively donating \$10,656. We appeal to Old Boys to take up this initiative, to pull your weight to reach the target amount. To raise half of the \$10M target, we only need 940 Old Boys to take part in this program, which we believe is a very achievable target. Please don't wait or look around. Sign up and be one of them!

#### Fund Raising Walkathon – 22 April

The next major event coming up is a Walkathon on 22 April, a Spring Sunday morning. Further details can be found in the attached 80th Jubilee special. We hope many of you and your families can join this meaningful and comfortable walk with fellow Lasallians, parents, teachers and Brothers to raise funds for LSC.

#### Education Symposium in LSC – 5 May

Next in the 80th Anniversary agenda is an exciting Education Symposium to be held in LSC on Saturday, 5 May. The topic is aptly "Mobile Learning: IT in the Teaching and Learning Process".

#### 80th Anniversary Gala Dinner – 12 May

Last but not least will be the Anniversary Gala dinner on 12 May in the HK Convention and Exhibition Center. Check

out all the details in the accompanied 80th Jubilee special, and order your tables right away.

#### Remembering our War Dead

The month December was not only when LSC informally opened 80 years ago. At the 10th Anniversary of LSC in December 1941, the School was ceased by a bitter battle against the Japanese attackers, which not only saw the then Governor surrendered to the Japanese, but also resulted in over 20 Lasallians and Josephians (St Joseph's College Old Boys) losing their lives while defending Hong Kong. The OBA is honoured to publish an article detailing our War Dead, written by Elden Lai (82), a member of the OBA Heritage Subcommittee. Please check the relevant section inside for the link to the article.

In addition, LSCOPA took part in the HK Remembrance Day Service in November and the Canadian Remembrance Day Service in December. Please see the separate coverage of these events in this newsletter.

#### Obituaries

We are saddened to report the passing of two faithful Lasallians. First, we ask for prayers for our OBA Past President Dr Lawrence Chan Siu Hung who passed away peacefully on 13 October 2011 after becoming bed ridden for several years. Lawrence served the OBA as President from 1976 to 1979, during which the old school building and dome were demolished to give way to a new campus. Our prayers for Dr Chan's eternal rest with God, and sincere condolences to his family.

Mr Chan Chau Mo, former PE Master of LSC passed away on 27 January 2012. Please see the separate section in this newsletter for Mr Chan's obituary.

I look forward to meeting many of you in the coming School Anniversary celebration events and other regular OBA events.

## HAPPY HOUR WITH BROTHER STEVE AND FATHER STEPHEN CHOW

A happy hour gathering was held in the Thursday evening of 8 December 2011 at Club Lusitano in Central. The over three dozen Old Boys were joined by Brother Steve Hogan, LSC Principal, and Father Stephen Chow of the Jesuits, which runs the two Wah Yan Colleges in Kowloon and Hong Kong as well as the Ricci Hall of The University of Hong Kong.

Brother Steve started the evening with a summary of the latest developments and plans of the College and discussed with the Old Boys different ways to support our Alma Mater. Father Stephen Chow then gave an introduction of The Society of Jesus' plan to establish a Jesuit Liberal Arts College in Hong Kong, very much to the interests of many Old Boys. The lively discussions continued at the Club's restaurant with a dozen or so Old Boys joining the OBA President Mark Huang and Brother Steve for some very nice traditional Portuguese dinner.

## VISIT TO TAI MO SHAN DOPPLER WEATHER RADAR STATION

On Saturday, 5 November 2011, Old Boys and their family members and friends, altogether 50 people, gathered outside the Kowloon Tong MTR station - the usual place - and boarded two 29-seater buses to Tai Mo Shan. It was the visit to the Doppler Weather Radar Station of the Hong Kong Observatory. The radome appeared majestically as the buses ascended the hilly terrain. The Observatory's Assistant Director Sharon Lau explained that the compound supporting the radar was designed in the form of a 四合院. The first busload of visitors was shown the transmitter and receiver equipment before being taken up the stairs to the glass room beneath the rotating antenna. There the scientific officers' detailed explanation of the

Doppler principle was so captivating that the audience, including about 15 children, remained in the nothing-to-see-room for 20 minutes without wandering away. Meanwhile the second busload of visitors was shown some historically significant typhoon radar images because there was no sign of clouds within a 500 km radius of Hong Kong and the real-time images were literally "clear as the sky". After taking a group photo, the whole gang climbed a short steep road to the trigonometric station depicting the highest point of Hong Kong, at 957m or 3,140 feet next to the Civil Aviation Department's radar. Some of us tried to take photos in front of the third radar in the vicinity, but were quickly prohibited from doing so by

military personnel. After thanking and presenting the souvenir flag to Sharon, the group then descended to the Tai Mo Shan Rotary Park. The subsequent picnic lunch included a sandwich, a salad, a pack of chips and a bottle of freshly squeezed orange juice for each participant. Much chit-chat and mingling was achieved during that hour and a half of relaxing rest. Most of the participants were then dropped off at the Kowloon Tong MTR station with the remainder taken back to La Salle College to help out with the Interview Workshop for F.6 and F.7 boys in the afternoon.

## INTERVIEW WORKSHOP FOR FORM 6 AND 7 STUDENTS

Jointly organised by the OBA and the LSC Careers Guidance Team, this annual workshop helped students to prepare for their university admission interviews in April 2012. It was held in the Saturday afternoon of 5 November 2011 and 55 Old Boys, both senior ones as well as younger university undergraduates, came back to the School as interviewers and shared their interview experience. This is also a special academic year, so called double cohort year, with both F.6 students (first batch of graduates under 3-3-4 system) and F.7 students (last batch of graduates taking the HKAL exams) entering the universities at the same time in the fall of 2012.

A total of 180 students participated in 28 mock group interviews for the following faculties: Accounting, Architecture, Business & Finance, Dentistry, Engineering, Law, Medicine, Pharmacy, Physiotherapy, Science and Social Sciences. There was also a General Group to cater for those targeting faculties other than those listed above.

Two weeks before the workshop, the students were lectured on interview skills during their form masters' classes. They were asked to attend the mock

interviews fully dressed up just like the real ones. Two or three senior Old Boys worked together as the faculty panel and interviewed the students in small groups. Resembling the real interviews, each student was asked to do a self-introduction and a topic was then given for group discussions.

The theme of this year's workshop was "LSC", an acronym for LOVE, SUITABILITY and CAPABILITY, the three key words that we advised the students to bear in mind while preparing their self-introduction. Love – express why he loves the career and what visions, inspirations, dreams and goals he has for his career life. Suitability – elaborate how and why his personality, interests and career orientation are suitable for the chosen studies and career. Capability – highlight his strengths, skills, achievements in academic and extracurricular activities that are relevant to his future studies and career and how these capabilities can enhance his studies and career performance.

Students were advised to demonstrate good attitude throughout the interview process, ie impress the interviewers by showing that they are highly motivated

and prepared to get admitted to the applied faculty and become a professional. This could be reflected in punctuality, dressing up properly, a well prepared self-introduction, good communication with interviewers/interviewees and raising proper questions during interviews.

The students were assessed in terms of their appearance, attire, sitting posture, speaking and interaction skills and eye contact. At the end of the interview, the Old Boys evaluated each student's performance and advised them how to improve at the real interviews. We also helped them fine-tune their self-introductions and the questions they would raise at the real interviews. It was also an opportunity for students to seek guidance in career planning and prospects from the Old Boys. After the interviews, we gathered together for a common sharing session for everyone to get more comments and advices.

We would like to thank Ms Florence Chow (Careers Mistress), her Careers Team and the following Old Boys for their time and effort in helping our younger brothers. All the best to the boys and we wish them every success with their real interviews.

## LSCOBA HAPPY HOUR GATHERING @PSYCHIC JACK

A happy hour gathering was held on Thursday, 24 November 2011 at our “new” venue, Psychic Jack Lounge on Wyndham Street, Central. It was a perfect occasion for Lasallians and friends to relax with a pint of chilled beer or a glass of white-wine spritzer to wind down not only a whole week of work, but also a busy and challenging year! It was encouraging to see more than 50 Old Boys and friends, some new faces and more familiar ones, all got along very well.

Special thanks to Stephen Hui (83) and Lawrence Ho (83) for introducing us to such a nice venue and thanks very much for the free finger foods!

We all look forward to the next gathering! Stay tuned.

## LASALLIANS AT CANADIAN REMEMBRANCE DAY SERVICE

On 4 December 2011, one student representative from each LSC uniform group joined Elden Lai (82), Mark Huang (85) and Principal Brother Steve at the Canadian Remembrance Day Service in Sai Wan. The service was a moving one with first hand sharings from a Canadian soldier who fought in the battle, and students from the Canadian International School playing an active role.

After the service, our students also heard from Elden and myself about the life stories of those Lasallian War Dead whose names are commemorated on that cemetery's walls.

**Mark Huang (85)**

## LSCOBA AT THE HK REMEMBRANCE DAY SERVICE

LSCOBA representatives attended the annual Hong Kong Remembrance Day Service at the Cenotaph in Central on 13 November 2011. We were joined by Nancy Maxwell Wong, the sister of one of our War Dead, Ronald Douglas Maxwell, who died on 23 December 1941. At the service, we remembered and prayed for all who perished during the First and Second World War, but more importantly for us to remember those Lasallians and St Joseph's College Old Boys, Teachers and a Brother.

We believe this is the first time the OBA took part in this service and we hope to make this a regular event to remember Hong Kong's War Dead, in particular our own.

**Mark Huang (85)**

## REMEMBERING OUR LASALLIAN WAR DEAD

Christmas is usually an occasion to celebrate, whether you are a Christian or not. The Christmas day 70 years ago in Hong Kong, however, meant something else. It was the day when Hong Kong formally surrendered to the Imperial Japanese Army, at the end of an 18-day battle against the invaders, and the start of 3 years and 8 months of suffering for the people of Hong Kong.

Many men lost their lives during the battle for Hong Kong. Among them were many our own Lasallians. On the occasion of the 70th anniversary of the fall of Hong Kong (December 2011), the Heritage Subcommittee of the OBA has researched and written an article in an attempt to record the fates of those Lasallians who perished during the battle, and to commemorate the sacrifices they made.

## LSCOBA NEW YEAR'S EVE BALL 2011 AT THE HKCEC

- 80'S DISCO NIGHT, CELEBRATING THE 80 YEARS OF LA SALLE COLLEGE

PROBABLY THE BEST AND HOTTEST NEW YEAR'S EVE BLACK TIE PARTY IN TOWN!

Following last year's New Year's Eve Ball which was a huge success with a full house, LSCOBA once again organised the Annual Ball on the 31st December, undoubtedly the most special night of the year, in a larger and better venue!! Unlike any other ordinary stranger-filled New Year ball, ours was jam-packed with Lasallian spirit and comrades who share familiar experiences and memories. We turned the clock back to the 1980s and relived the strong rhythm disco feeling with mirror balls, disco lights and the greatest hits of that disco era! It was an evening filled with entertainment, free flow of wine, fine dining and excellent company.

We were honoured to have the presence of Brother Thomas, Brother Patrick, Brother Steve and Brother Jeff who were accompanied by more than 250 Old Boys, families and friends. We were all extremely excited to ring in the New Year together and proud to share the beginning of 2012 with fellow Lasallians!

The night started with complimentary pre-dinner cocktail reception at 7pm sponsored by Pernod Ricard, and our guests enjoyed a glass or two of The Glenlivet Excellence 12YO single malt whisky and the sparkling wines to kick start the spectacular evening!

At around 8pm, the guests were seated and the VIPs of the night marched in with the very well known 'Thriller' tune. Our MCs for the night, Ms Winnie Wong and Ricky Chow (03) introduced the night and everyone enjoyed a lovely 4-course western dinner with superbly funky performances by Jerry Sun (04) and his band on stage!

The LSCOBA 80th Anniversary Titanium MasterCard was officially launched by our School Principal Brother Steve together with LSCOBA President Mark Huang (85). Followed immediately was the much anticipated auction of a bottle of 1982 Chateau Lafite-Rothschild and one of the luckiest numbers of the newest LSCOBA 80th Anniversary Titanium MasterCard. The generous winners of the bottle and card number were

Edmond Lee (97) and David Fong (88), who collectively raised over \$100,000 for the La Salle Foundation for LSC. Our special thanks to Dr Brian Ho (73) for his big heart in donating the bottle to raise funds for the School.

The night continued with the grooviest of all 80s smash hits as our guests burned up the dance floor. A whisky corner was also set up by the renowned wine and whisky company Pernod Ricard to showcase some of their most prized collections. Light supper buffet was also served for those who wanted a bite (or tired of dancing!) We finally ended the night with an extremely enthusiastic rendition of our school song.

Also worth mentioning is that we had altogether 10 tables of youngsters and these wonderful young Lasallians did certainly make the right choice! A very warm welcome to all the young members, many of whom were first-timers to our Annual Ball, and we all hope you can attend LSCOBA events more often.

My sincerest thank you goes to all the Lasallians who joined and contributed to the Ball and I hope you and your guests had fun on the very last night of 2011. I would also like to extend my warmest gratitude to our respected sponsors including Issey Miyake, Jean Paul Gaultier and JPG MaDame, Shiseido and Shiseido MEN and our devoted Old Boy sponsors including Nelson Lee (58), Sir David Tang, Lincoln Linn, David Mong (79), Alan Lui (79), Peter Lam (80), Bosco Lam (80), Hiro Keswani (84), John Ma (85), Derrick Fung (85), Sunny Cheung (85) and Calvin Lee (00) for their continued support.

Finally, I would also like to express my deepest gratitude to the organising committee including Mark Huang (85), Leon Roy (85), Terence Mak (97), Ricky Chow (03), Lou Chan (03), Gerald Lau (03), Vincent Hau (07) and Claudio Chan (08), whose support, efforts and encouragement contributed to the success of the event.

17th Kowloon (La Salle) Group Investiture 2011

## OUR 75TH ANNIVERSARY OUR ANNUAL INVESTITURE OUR REUNION

### The 75th Anniversary

The 17th Kowloon (La Salle) Group, established in 1937, is one of the earliest scout groups in Hong Kong and the year 2012 is our 75th anniversary. The Rover Scout Crew presided by Henry Keung (07) has taken the lead to organise a series of spectacular events to mark this occasion.

### Group Summer Camp (30 June – 2 July)

Representatives from the Rover Scout Crew, Venture Scout Unit and Scout Troop will join this 3-day-2-night wild camp together with rovers/ventures/scouts from other Lasallian school groups. This will provide a good chance for inter-section interactions (e.g. venture/scout paired orienteering) as well as section-specific activities (e.g. pioneering for scout troop). Cub Scouts and Grasshoppers will join some inter-section activities on the 2nd day of the camp and the campfire that night.

### Investiture and Gala Dinner (17 November)

To make the celebration more impressive, we have dedicated this day as the reunion day with old boy scouts from abroad. We are now extending our open invitation to them through this newsletter and will also separately liaise with overseas Lasallian Chapters. The highlight of the day will include the 75th investiture and an estimated congregation of 350 – 400 scouts/guests present at the gala dinner in the LSC school hall. It will be a memorable experience when serving and old boy scouts of all ages from different parts of the world gather together to witness the function.

### Souvenirs

Key chains, metal woggles, commemorative stamps and polo shirts will be produced as gifts to scouts and related parties or for sale. Furthermore, a commemorative booklet about the Group will be published for general information. Car owners may be interested to buy a specially designed car badge for display.

### The Annual Investiture

The 74th investiture for scout members of all sections recently took place in the LSC school hall. It was our privilege to have honourable guests in attendance: Rev Bro Steve, Principal of LSC; Mrs Emily Leung, Principal of LSPS; Mr Lai Kwok Wing, Kowloon City District Commissioner, Scout Association of Hong Kong and a large number of parents.

Rev Bro Steve congratulated the Seventeeners for their remarkable success obtained during the year of centenary celebration of the scout movement in Hong Kong. Lasallian scouts should possess the virtues of upholding honesty and respect as taught by St. John Baptist de La Salle. They came together like hands and gloves that could not be separated. Further to the Scout Promise in which our scouts vowed to do their best to do their duty to God, to the country and to help other people, Rev Bro Steve encouraged the scouts to observe

this tradition of La Salle in their journey of life so that they would be good men contributing to a good world in which they lived.

Chairman Nelson Lee (58) anticipated that the Principal's goal in nurturing more Lasallians as leaders of the community by 2020 would be materialised.

The Seventeeners are expanding in size, with a strength of 416, and in magnitude with the establishment of the Grasshopper Ring since 2010. On the day, 102 scouts were invested. Our scout members are recruited from P.1 as grasshoppers to the school levels as rover scouts. 70 scouters in all sections are volunteers of teachers, parents and Old Boys. Group committee members are mostly Old Boys, sons of past and serving members and a small portion from parents so that the committee will hand down from generation to generation. It is for this reason that Old Boys are always welcome to join us for the betterment of scouting in La Salle. If you want to know more about us and the details of the reunion day, please contact Allan Cheung (93) at [alanc\\_may05@yahoo.com](mailto:alanc_may05@yahoo.com) or Philip Yeung (93) at [yeungszeleung@yahoo.com.hk](mailto:yeungszeleung@yahoo.com.hk) for details.

Our achievements last year were again assessed through open competitions by the Scout Association of Hong Kong. Mr Lai Kwok Wing of the Association had well-said in his speech that the 17th Group is one of the best scout groups in Hong Kong with a long history and a strong group committee. It is now a complete group with all 5 sections aiming at the physical and intellectual development for scouts of all ages. He congratulated the success of the Group and was confident that it would continue the great tradition and obtain more brilliant results in future. A summary of the awards and merits is shown as follows:

## LSCOBA 2011 WINTER GOLF TOURNAMENT

The golfers' interest to join our tournament was more encouraging on this occasion with 32 Old Boys teeing off on 2 December 2011 at the Huizhou Birds Golf Course (惠州候鳥高爾夫球場). The clubhouse was completely refurbished recently, and with the blessing of Mother Nature again we had sunny blue sky and a moderate breeze to enjoy our day out. For the first time in our history, our "teaching-pro" Alvin Choi (97) finally decided to bite the bullet and played off "scratch" instead of his true handicap to compete with the other fellow Old Boys. After the round, we all enjoyed the camaraderie amongst the fellow Old Boys with beer and laughter during lunch, and sang our school song following the prize presentation before heading back to Hong Kong.

The winners were as follows:

<b>Champion</b>	Leonard Chu (83)
<b>Second</b>	Michael Tang (76)
<b>Third</b>	Michael Tse (75)
<b>Best Score</b>	Leonard Chu (83)
<b>Best Front 9</b>	Ian Kwok (81)
<b>Best Back 9</b>	Tony Cheung (77)
<b>Longest Drive</b>	Ian Kwok (81)
<b>Nearest Pin</b>	Paulus Choi (78)
	George Chan (78)
	Henry Lam (83)
	Leonard Chu (83)

Our sincere congratulations to Leonard Chu (83) for successfully defending his "doubles" by matching his personal best round of 5 over. This also means that he

was required to donate HK\$2,250 to the golfers' funds according to the La Salle golfers' local rules.

I would like to thank my organising committee members Thomas Tung (77) and Ian Kwok (81) for their unfailing support in helping me to organise this event.

The tentative date for the next golf event is 11 May 2012 to celebrate the 80th Anniversary of our Alma Mater. Stay tuned.

## FORENSIC PATHOLOGY VISIT

On Saturday, 25 February 2012, 11 Old Boys and families, one teacher and 15 LSC students attended the visit to the Kwai Chung Public Mortuary to see the forensic pathologists at work. A light drizzle added weight to the topic but the warm architectural décor of the building nicely camouflaged the inherent eeriness.

Dr Hau Kong Lung, the Consultant Forensic Pathologist of the Department of Health, showed us the dissection workstations, the various laboratories, and the reception rooms where the public can identify bodies of the deceased. This is followed by a powerpoint presentation of the work of the government's forensic pathology division in helping the police to solve complicated criminal cases. He explained in details the different techniques deployed in the process. However not all cases can be solved and there are still cases remaining unsolved after many years. Back in the 1980s they also helped to improve the design of folding tables so that no more toddlers are crushed to death. The La Salle College students were mesmerized by the extraordinary experience of a mortuary, a first time for many of them.

喇沙英語中心好學的孩子與生於富足香港裏的孩子形成強烈的對比，填鴨式的教育、只滿足於物質需求、覺得被備人照顧、父母庇護、是理所當然的事、港出生率低使老人家好不容易盼到一個孫子。無不寵愛有加，結果塑造了身在福中不知福，自理能力、情緒智商、抗逆力「三低」的「港童」。他們最大的問題是價值觀的扭曲—我的需要得不到滿足，我不能自理，是別人的責任！養生會希望藉着此次參觀喇沙英語中心的機會，為父母及子女帶出一些體會，並通過類似「多背一公斤」公益旅行運動，在旅行途中探訪鄉村學校、傳遞知識和循環再用物資如英文書及文具，使小朋友領悟到施比受更有意義，並可以將普通話磨練一下。

## OBITUARY - BILL CHENG (87)

It is with great sadness that Bill Cheng (87) passed away on 9 January 2012 after a courageous battle with illness. Bill is survived by his wife Cecily and three-year old son Brian.

Born in Beijing, Bill joined LSC in F.1 in 1982 after only three years in Hong Kong, quickly adapting to a new environment with English teaching medium. Bill is easy going and well liked by his classmates. It came as no surprise that Bill was particularly strong in Chinese, a rare suit in our days and he was a protégé of the then Chinese subject teacher Mr Tong Wun Sing ("Tong Sir"). After leaving LSC upon completion of Form 7, Bill completed his BBA degree at University of British Columbia, Canada in 1994, and MBA at The Chinese University of Hong Kong in 1999.

Bill started his career at Swire Pacific as management trainee, taking on increasing responsibilities to the position of Executive Manager at Taikoo Motors in the late 1990's, and was a

forerunner in marketing imported cars to the untapped Chinese market. Most recently, Bill was the inaugural Director and General Manager of Bentley China. During his tenure Bentley China grew from annual sale of over 30 cars in 2002 to over 1,600 in 2011 with 18 dealers. It is Bentley's most profitable market in the world after US.

Outside of professional life, Bill was outgoing and enjoyed an active lifestyle. His "Work Smart, Play Hard" motto led to a variety of interests including travelling, scuba diving, stamp collecting and boardgaming. Bill was actively involved in charitable works and supported good cause for the disadvantaged. But above all, Bill was a family man and his dream was to travel around the world with his family.

Bill's intelligence, dedication to work, kindness and generosity will be deeply missed and remembered by friends and colleagues.

May Bill rest in peace.

## REMEMBERING PE MASTER, MR CHAN CHAU MO

We are saddened to announce the death of Mr Chan Chau Mo, our PE Master, on 27 January 2012. Mr Chan had been suffering from diabetes, and was forced to take early retirement two years ago due to his deteriorating health. While ill and too weak to walk, Mr Chan still took time to come to some of the interschool volley ball competitions to offer support to his students. However, Mr Chan's health took a turn for the worse in the last few months and he had to spend most of his time in hospital. Finally, Mr Chan's early journey end came on 27 January and he is survived by Mrs. Chan who looks after their three young children aged between Primary 4 to Form 1 on a full time basis.

One of Mr Chan's greatest concerns towards his last days was the livelihood

of his wife and education funding for his three young children. Many Old Boys from different classes have been offering financial and family support to Mr Chan and his family over the past year or two. Should anyone wish to make a donation to the family, please contact the OBA Administrator Fanny at [admin@lscoba.com](mailto:admin@lscoba.com) or 2336 2985, and she can advise you on the donation details.

A memorial service for Mr Chan will be held in LSC on 17 March 2012 from 6 pm to 7 pm. Further details will be provided in due course via the OBA website and Facebook page (La Salle Old Boys' Ties).

**Mark Huang (85)**

Mr Chan posing with our boys, the 1981 Division 2 champion team. LSC was relegated to Division 2 in 1980 during Mr Chan's first year as coach in LSC. Mr Chan turned the team around in 1981 and we dominated the whole Division 2 to get promoted back to Division 1. That year we also won a friendly match against DBS who was the reigning Division 1 champion on their home ground. Brendan Lim (84) who was in the team fondly recalls singing the LSC school song inside DBS on the way out to Argyle Street after that memorable victory.

## EDUCATION SYMPOSIUM

MOBILE LEARNING – IT IN THE TEACHING AND LEARNING PROCESS

<http://symposium.lasalle.edu.hk>

5 MAY 2012 AT LA SALLE COLLEGE

The objective of the symposium is to review and explore the integration of mlearning into the teaching and learning process. Through this forum, La Salle College and the La Salle College PTA aim to provide an information and communication platform in Hong Kong; an mlearning 'Ideas Exchange' for educators, teachers, parents, students and vendors. It is hoped that the sub-themes addressed throughout the forum by our keynote speakers, the various forums, workshops, symposia, papers, demonstrations, case studies, exhibitions, video-conferencing forums and booths, will excite, inform and engage attendees in conversations about mlearning and elearning, in the Hong Kong context.

The symposium will feature a broad range of mlearning related topics, such as mlearning in the classroom, ebooks, the digital revolution in schools, internet addiction, interactive learning, topics (in the form of workshops) from our partnering schools in Mainland China and Singapore, and from EDB's Centers of Excellence (CoEs) as well as from pilot schools in Hong Kong. The topics and discussions covered in the symposium are designed to address teachers' and parents' issues on the integration of mlearning in schools, and to contribute to the overall broader discussion about the impact of IT and mlearning, mobile devices and social networking, on quality of life. Join us to explore the latest developments, thoughts and trends in mlearning.

# LA SALLE COLLEGE 80TH ANNIVERSARY GALA DINNER INVITATION

12 MAY 2012 AT THE HONG KONG CONVENTION AND EXHIBITION CENTRE

Dear Old Boys, Parents, Friends, and Teachers (past and present),

It is both an honour and a pleasure on behalf of the 80th Jubilee Steering Committee of the SMC that I invite you to the 80th Jubilee Gala Dinner coordinated on our behalf by LSCOBA.

It was on the 6 December 1931 that the first 8 classes started at La Salle College Boundary Street, moving up from St.

Joseph's Branch School on Chatham Road, Tsim Sha Tsui. The remaining boys and new enrolments started on the 12 January 1932, thus the 2011/2012 academic year marks our 80th Jubilee.

The 80th Jubilee Gala Dinner, to be held on Saturday, 12 May at the Hong Kong Convention and Exhibition Centre will start with at least 80 tables. The committee has a programme of fun and entertainment, an opportunity for nostalgia, and an avenue for photos.

The Gala Dinner will also be an opportunity for La Salle Foundation to seek your support as the College gears itself once again to be the envy of others as it refurbishes a building now some 30 years old and which in places may be considered a little run-down.

I am sure you will be able to gather 12 friends as we hope to expand our initial 80 tables in multiples of 8. This will be the last Jubilee Dinner until 2022, the 90th Jubilee, so don't miss out!

Our guests of honour will, given our predication to something more, be not one guest but eight guests: the 4 octogenarian teachers and the 4 octogenarian OBA Presidents (Brother Lawrence, Brother Alphonsus, Mr Henry Lau, Mr Chiu Siu Lai, Mr Hilton Cheong-leen, Hon. Mr Sonny Sales, Mr Maximo Cheng, and Mr Michael Chan.). It will indeed be an honour to have some of the founding teachers and students celebrate this 80th Jubilee with us.

Details are included in the Booking Form attached. If you have any queries please contact Miss Fanny Leung at the LSCOBA on 2336 2985 or [2012galadinner@lscoba.com](mailto:2012galadinner@lscoba.com).

Sincerely

**Rev. Bro. Steve Hogan**

# APPEAL FROM LA SALLE FOUNDATION

La Salle College is evolving, but one thing remains unchanged: the De La Salle Brothers remain as dedicated as ever to provide quality education to all students. This is a hallmark of their call, and they strive to provide the best educational facilities available in Hong Kong to students from all walks of life.

Many of us call the current school premises the "New Building", yet with time flying what was once new is now serving students and teachers of La Salle College for a third decade. There are more replacement and maintenance obligations coming as the infrastructure ages. The above-standard air conditioning facilities in the hall, the lecture rooms and the gym are 30 years old!

Many among us enjoyed the benefits of the facilities of this "new" campus. The hard work and sacrifices put in by our predecessors enabled generations of Lasallians to enjoy facilities that few rivals can match.

With our current Principal Brother Steve leading strongly, La Salle will maintain its competitive edge as we set targets for 2020. Demands on our boys are changing, and so La Salle must adapt by changing the content and manner in its teaching.

We need to completely overhaul our IT facilities - efficiency is impaired, and the boys can only be expected to work at a fraction of their capabilities on computers. This calls for a total re-wiring of the fibre optic backbone and an overhaul of the switching and wifi access points. In time the School will also need to develop software and teaching aids to cater for the demands of the mid-21st century. We will need to upgrade the audio and visual teaching facilities in classrooms.

On the cultural front Lasallian success has come in leaps and bounds in interschool competitions. No longer are we strong only in sports or athletics. We will need to support the boys by making available musical instruments and bringing in experts to advance cultural development.

All these call for resources, and resources which subvented schools like La Salle College do not generally have. Even with the best financial planning we cannot meet development targets to help keep our boys abreast of the competition. La Salle needs to develop a reserve so that our graduates up to 2020 and beyond will be able to compete for places in the best universities and colleges, and for the best placements in the increasingly competitive world.

We Old Boys have enjoyed the benefits of a Lasallian education. Now is the time to show the Brothers we care, and support their good work, and their plans for La Salle up to 2020.

The La Salle Foundation is a charity and all donations it receives are deductible for Hong Kong tax purposes. The Foundation's 2020 Fund Raising Drive is designed to support La Salle College by raising HK\$20 million to meet the demands for the coming decade.

## THE FOUNDATION'S WORK

Since its establishment in 1992, the Foundation has raised over HK\$90 million under various fund raising drives for specific project initiatives. Out of this, we have made donations and pledges to LSC and LSPS amounting to over HK\$75 million to date, including:

- \$8.4 million to LSC refurbishment projects
- \$10 million for two rounds of refurbishing the track and field
- \$45 million to redevelop LSPS
- \$6 million to refurbish the LSC school entrance and offices in 2011
- \$2 million to provide for additional teachers and education improvement initiatives under the Jubilee Fund with another \$3 million pledged
- \$2 million to refurbish the Brothers quarters
- \$4.2 million for the LSC SIP that was completed in 2005

## HOW YOU CAN HELP

You can make a one-off donation now. Simply draw a crossed cheque in favour of La Salle Foundation Limited and send it to 18 La Salle Road, Kowloon, Hong Kong.

You can make a monthly donation, of say \$888, for 12 months by post-dated cheques, or by credit card. This will generate about \$10,000 over a year. We have attached a form to help you with this.

If you are willing, we encourage larger donations and will offer special recognition through commemoration in selected school facilities. All donations of \$50,000 or more can be recognised in this manner. Do call Eric Pang at 9195 7802 if you are interested to know more.

The College aims to impart a human and Christian education to all students, and I appeal to your generosity to sustain LSC to educate future generations of La Salle boys. Let's all chip in.

Yours in La Salle,

**Lester Huang**  
**Chairman**  
**La Salle Foundation Limited**
